EDI OnPremise

Your powerful EDI service

EDI OnPremise is our ERP-independent EDI on Premise solution. We connect you with your business partners and enable hurdle-free communication.

Our powerful converter is familiar with numerous message types, formats and communication modes and is expertly set up by our specialists.

For subsequent connections or adjustments, we are there for you and ensure that it simply works.

ADVANTAGES:

User-friendly
- Avoidance of repetitive entries and duplication of work
- Fewer data entry errors and better information accuracy
- Faster processing times

Cost-cutting
- Cost savings in data handling activities
- Less paper-based document flow

Transparent
- Traceable document flow
- Faster availability of information

Powerful
- Smooth data transfer through powerful converter
- Applicable for any ERP system
- Faster transfer times and increased processing speed

OPTIMAL SERVICE

All-round care now and in the future.

Our VISICON EDI specialists take care of the resource-binding EDI management processes for you and take over the complete processing with your business partners.

After implementation, we are your contact and continuously optimise your system.
